

PROJECT LOVE

The Charitable Outreach of Illinois Citizens for Life Trust

Project Love is celebrating 20 years of supporting pregnant women and new mothers in financial crisis. Since 1996, we have given over 1250 grants providing help and hope to women in need. Clients are referred to us by pregnancy centers throughout the state of Illinois.

"I was very excited, blessed, thankful and lucky to come across people so nice, so caring and so willing to help... I am sure God will lead me through the right path little by little. I may not have money, but I have love and health to share..." (Thank you note from a young mom).

"I can't describe how I felt when I found out I would get help from you! Saying "thank you" just isn't enough! I am so happy there are people in this world as nice as you and hope to pay this favor forward as soon as I am able." (Thank you note from a young mom.)

Save The Date !!

Each year Project Love hosts a bountiful breakfast/silent auction to raise funds for the grants we provide. We also present our annual Caritas Award to an individual and/or organization doing outstanding work in the pro-life field. We hope you will join us.
