

Restoring Respect in Law for Life, Family, and Religious Liberty

Providing pro bono legal services:

- **Defending David Daleiden**, the heroic young undercover investigator who has exposed Planned Parenthood's sale of fetal body parts, vs. RICO (racketeering) lawsuits brought by the National Abortion Federation and Planned Parenthood; vs. a criminal felony case brought in Houston, Texas (just dismissed!!); vs. yet another serious criminal investigation by the CA Attorney General; and defending a new class action case in Seattle, WA to suppress disclosure of details about aborted baby body parts stockpiling and sales by the University of Washington;
- Protecting business owners and families against HHS' and IL's Abortion Pill Mandates;
- Upholding pro-life sidewalk counselors' free speech rights;
- Defending multi-million dollar lawsuits against Catholic Charities and Catholic hospitals;

...and nearly 100 other cases around the country from local trial courts all the way up to the U.S. Supreme Court.

"Our heartfelt gratitude extends to the Society for their unparalleled legal counsel to our local campaigns, our national campaign, and our entire pro-life movement to end abortion. Thank God for all of your work! Our rights would be trampled on without your courageous and effective work in America. It is a joy and an honor to work with you!"
